

Instructions for Charlottes page “The Bride” with Hidden Journaling

Supplies:

Papers: AG1044, AG1045, AG1047, AG1048, AG1049, AG1050, AG1051, AG1052, AG1053, AG1054

Cardstock: BAZT8-804

Frame and Pleated Border: AG861, AG871, AG872

12x12 Background paper - AG871,
8 1/2 x 10 1/2 Ivory cardstock frame,
photo open: 5 x 8 1/2, glue, ivory cording on inside edge

1 inch wide ivory cardstock strips mark 1/8" from edge on both sides. Cut along line with decorative edge scissors (Fiskars Victorian). Use La Plume brush marker #102 Jade Green to color edges. Cut strips from AG872 glue to center of ivory cardstock strips. (After green strips are in place adhere ivory satin ribbon corners). Mount on AG861 green 1/8" showing on outside edges. Use 1/2" strips of AG872 cut from pink stripes toward the flowers to form pleated border. Mark at 1/2" and 1/4", pleat and fold. Glue under green mitercorners.

Hidden journaling flap:

2 1/4" x 8" ivory cardstock. Score 1/2" from one side. Mark 1/8" from over edge and cut with decorative edge scissors. Color edges with green pen. Cut a floral strip from AG872 between the green polka dots then carefully trim the floral design on one edge with scissors. Center the design onto the flap with the green dots forming an edge on left side of flap. Insert a ribbon tab in the middle right side before glueing the floral strip down. Glue 1/2" scored edge to the back left side of frame. Journal on a vellum strip. 2" x 8 1/4". Cut with deckle edge scissors. Cut a floral motif for top edge under the vellum.
